Cases/materials received by the Supreme Court in 2018

Results of the administration of justice by the Supreme Court in 2018

«Exemplary cases»

- There is large number of similar cases in the proceedings of the courts of first or appeal instance
- The Supreme Court may take one of those cases for consideration
- The Supreme Court issues an “exemplary judgment” in such a case
- 6 exemplary cases during first year
- Similar cases will be examined according to this example

Before the judicial reform

3 separate High Specialized Courts

- the High Administrative Court
- the High Economic Court
- the High Court of Civil and Criminal Cases

Different legal practice

Constant conflicts between those courts regarding the court jurisdiction

After the judicial reform

The Grand Chamber of the Supreme Court

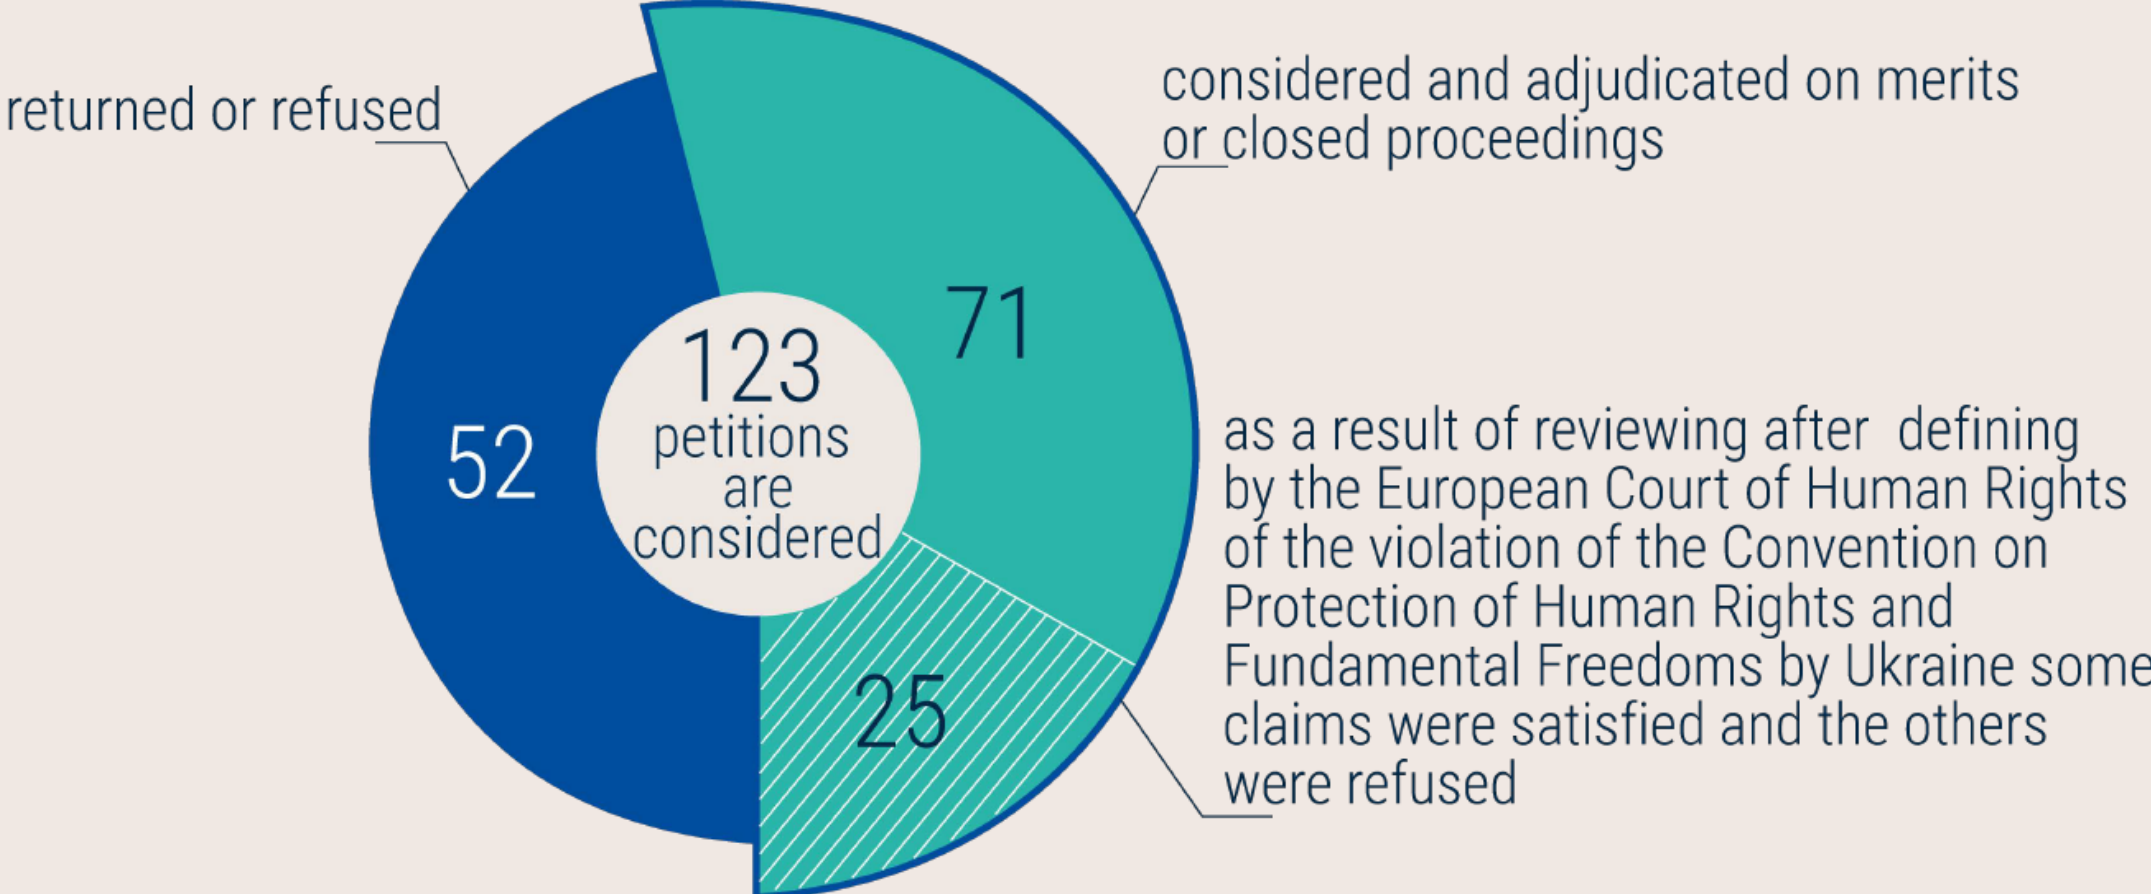

1,400 cases during the first year to define the court jurisdiction and resolve the contradictions in law practice

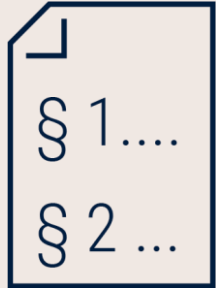

Clear rules for the defining of jurisdictions

Reviewing the judgments basing on the defining by the European Court of Human Rights of the violation of the Convention for the Protection of Human Rights and Fundamental Rights by Ukraine in 2018

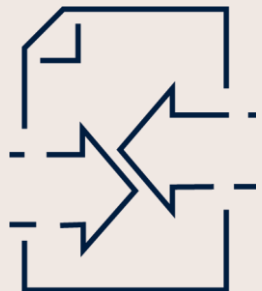

The new judgment form

Numbered paragraphs

Split the text into sections

Binding analysis of all arguments of the parties

The interpretation of legal regulations by the Supreme Court and the conclusions in the case are highlighted as separate sections

5%
